Empowering Farmers
Nourishing Livestock
Sustaining Tomorrow!

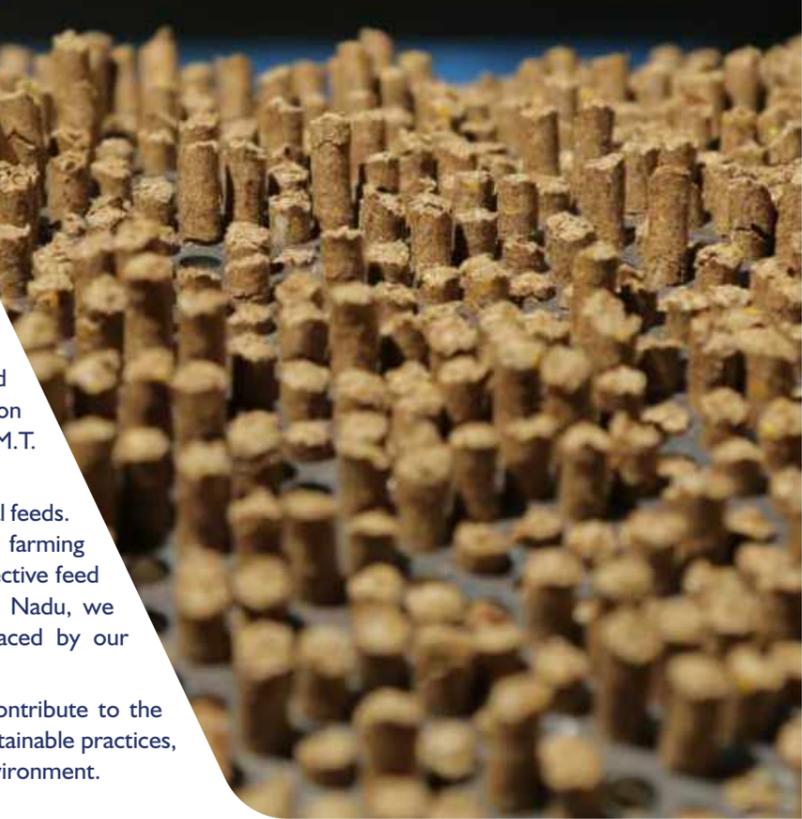

R.G. Sundar & Co., founded by veteran industrialist Shri. K. Ganapathy Chettiar in 1979 that specializes in the manufacture of Compound cattle feed in the name of Kamadhenu Super Cattle Feed.

RGS Feeds are Pioneer & Traditional Animal Feed manufacturer in South India for 3 decades. Initial production capacity was 5M.T. per day. Now we are producing 400 M.T. per day.

RGS Feeds, is a trusted manufacturer of high-quality animal feeds. We are deeply committed to the prosperity of the local farming community, providing nutritionally balanced and cost-effective feed solutions. Rooted in the agricultural heartland of Tamil Nadu, we understand the unique challenges and opportunities faced by our farmers.

Our mission is to enhance livestock productivity and contribute to the sustainable growth. We prioritize ethical sourcing and sustainable practices, ensuring that our products benefit both animals and the environment.

Production Infrastructure with 400 MT / Per Day Capacity

Our modern production facility is equipped with state-of-the-art machinery to ensure efficient and consistent feed production. We maintain strict hygiene and quality control standards throughout our process.

Our goal is to be a trusted partner in the success of our farmers by providing high-quality feeds and expert support. We are committed to fostering long-term relationships and helping farmers achieve optimal productivity.

At RGS Feeds, we believe in upholding our commitment to excellence and integrity. Our promises are not just words; they are the foundation of our business, guiding everything we do.

Process

Plant Infrastructure
